

Bicycle Facilities and Club Routes in Chatham County, GA

Unpredictable changes of traffic, road, and weather conditions will require cyclists to constantly review all roads for suitability.

CORE MPO makes no warranties, express or implied, on the safety of these facilities or routes

Note that bicycling on the Talmadge Memorial Bridge (US 17 over Savannah River) is prohibited although it appears here as a route used by clubs. Bicyclists, except those with trailers, may cross between Hutchinson Island (Trade Center Landing) and downtown Savannah (City Hall or Marriott Landings) on the free Savannah Belles ferries.

Additional unpaved or paved paths exist within parks and public lands but do not appear on this map currently.
