

ARTICLE G.

ADMINISTRATION AND ENFORCEMENT

Sec. 8-3141. Powers and duties of zoning administrator generally.

The provisions of this chapter shall be administered and enforced by the zoning administrator of the city. His duties shall include receiving applications for demolition permits and issuing such permits, receiving applications for building permits and final inspections, issuing building permits, giving final approval for uses and structures which meet the requirements of this chapter, and receiving applications for occupancy permits and issuing such permits.
