What makes great places? Is it an enhanced quality of life? A sustainable environment? Vibrant downtowns? Public spaces such as markets, waterfronts, cultural centers... All these elements combine to create a livable community. Join Project for Public Spaces President Fred Kent as he shares his vision for livability on

Destination: Savannah Forward

Join us in welcoming Fred Kent to Savannah to discuss the livability of our environment which is achieved at eye level through streets, parks and public spaces.

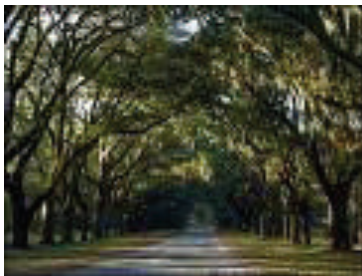

February 5 , 2009—7 p.m.
Coastal Georgia Center

Savannah Forward

"Placemaking is a holistic approach to creating vital public destinations that promotes community commitment and involvement." *Fred Kent, President Project for Public Spaces, Inc.* "A **destination** is an activity generator that gives people a reason to come to a place. Multiple destinations create an enticing path by linking together a variety of experiences." **Fred Kent** has worked with over 2,500 communities in 30 countries around the world to help people turn their public spaces into vibrant community places. Visit their website at www.pps.org to learn more.

Complete our survey: www.thempc.org.

As the population of Chatham County continues to grow, we need to plan appropriately for that expansion. Thoughtful consideration and planning in development of thoroughfares will make a difference to the livability of this community for many generations. Please join our efforts by giving us your feedback to the following questions on www.thempc.org. Find the link to our survey on the homepage. Survey deadline November 15.

- ✦ Which five streets or roadways do you consider to be the best in Savh/Chatham County?
- ✦ What are the five worst streets/roadways?
- ✦ What are the five best destinations in Savannah/Chatham County?
- ✦ What are the five worst destinations?
- ✦ Which of these destinations, best or worst, offers the greatest opportunity for improvement?

February 5th Community-based presentation of survey results and response by Fred Kent on ways to move Savannah Forward at the Coastal Georgia Center, 305 Fahm St. 7 pm, reception following.
