

Q: Can you spot what's missing in each of these pictures?

- A median
- Sidewalks and bike lanes
- A bus shelter or a bench
- All of the above
- Turn lanes
- Street trees and landscaping
- On-street parking

The time for complete streets is now!

The region's major thoroughfare plan kicks off at public workshops in January, and we need you.

Creating a plan for the major thoroughfares in Chatham County is one element of the Total Mobility Plan. The thoroughfare plan and standards will be developed in coordination with the ongoing update of the Unified Zoning Ordinance.

Monday, January 9, 2012

Tom Triplett Park Conference Room, 100 Tom Triplett Park Road

Tuesday, January 10, 2012

Islands High School Career Counseling Center, 170 Whitemarsh Island Road

Tuesday, January 17, 2012

Armstrong Atlantic State University – Armstrong Center, 13040 Abercorn Street

Thursday, January 19, 2012

First Presbyterian Church, 520 Washington Avenue

All meetings are from 5:00 to 6:30 pm. Drop in when you can!

PUBLIC WORKSHOPS

The Total Mobility Plan is an in-depth planning effort which will emphasize sustainability, Complete Streets, Context Sensitive Design, non-motorized transportation and transit. The Plan will address the transportation network and specific facilities, but also the interaction between transportation and the community as a whole. The thoroughfare planning component will address facilities for auto traffic, bicycles, pedestrians, and public transit vehicles, including intersections. ***Workshop attendees will map context areas, creating a vision of the desired character in each community. The thoroughfare standards will then be shaped to achieve that vision.***

Public input is critical to the planning process, and the CORE MPO is pleased to announce this series of public workshops. These meetings will be held at various locations throughout Chatham County in an effort to obtain as much input as possible. If you or someone you know is interested in the future of transportation in our community, please make an effort to attend one of the workshops.

Your input and participation is critical to the development of the plan, so please mark your calendars!!
