The Georgia Conflict of Interest in Zoning Actions Statute (OCGA Chapter 67A) requires disclosure of certain campaign contributions made by *applicants* for rezoning actions and by *opponents* to rezoning actions. Contributions or gifts which in aggregate total \$250.00 or more if made within the last two years to a member of the Metropolitan Planning Commission, City Council, or County Commission who will act on the request must be disclosed by applicants. Persons who oppose a rezoning request by speaking before these officials, by direct contact with these officials, or in writing to these officials must also disclose such contributions. Disclosure reports must be filed with either the Clerk of Council or the Clerk of the Chatham County Commissioners, as appropriate, by applicants within ten (10) days after the rezoning application is filed and by opponents at least five (5) calendar days prior to the first hearing by the Metropolitan Planning Commission.
