**PROCEDURAL MANUAL
FOR
MEETINGS OF THE
SAVANNAH HISTORIC DISTRICT BOARD OF REVIEW**

Pursuant to Section 2.6 Savannah Downtown Historic District Board of Review of the City of Savannah Zoning Ordinance, meetings of the Savannah Historic District Board of Review (hereinafter referred to as the HDBR) shall be governed by the following policies. No policy shall be established which is in conflict with a provision of the HDBR Bylaws. Where a policy is found to be in conflict, the provisions of the HDBR Bylaws shall govern.

I. MEETINGS

The HDBR conducts two types of meetings, as follows:

1. Regular Meetings
2. Special-Called Meetings

All HDBR meetings are held in the offices of the Metropolitan Planning Commission (MPC), 112 East State Street, Savannah, Georgia, unless advance notice to the contrary is given. These meetings are described as follows:

1. Regular Meetings:

Formal meetings, identified in the Bylaws, held the second Wednesday of each month at 1:00 P.M. in the MPC Arthur A. Mendonsa Hearing Room, for the purpose of conducting the business of the Board. At such meetings the HDBR hears applications for Certificates of Appropriateness and conducts the normal business of the Board. Regular meetings are publicized in accordance with the Georgia Open Meetings laws.

2. **Special-Called Meetings:**

Formal meetings, identified in the Bylaws, called according to the procedure set forth in the Bylaws and held at the location identified in the call of the meeting. Special-Called Meetings are of two types:

- A. Rescheduled Regular Meetings: Due to a lack of a quorum at a previously scheduled meeting.
- B. Special-Called Meetings: Other than rescheduled meetings, called for the purpose of addressing a specified issue(s) identified in the call of such meeting. Any gathering called by the Board or its Staff, at which a quorum could reasonably be anticipated, shall be considered a Special Meeting. All Special Meetings shall be held in accordance with the Georgia Open Meetings Law.

3. **Meeting Notices:**

Regular Meetings: The media shall be apprised of the time, place, and subject of the meeting at least 48 hours in advance of the meeting.

Special-Called Meetings: The media shall be apprised of the time, place, and subject of the meeting at least 24-hours in advance of the meeting.

II. AGENDAS

Meeting Agendas shall conform to the following criteria and policies:

1. **Regular Meetings:**

There are three types of Regular Meeting Agendas, as follows:

A. Tentative Agenda

The Tentative Agenda is the informal list of issues and applications scheduled for a meeting following the posted application deadline. The Tentative Agenda is emailed to HDBR members.

B. Preliminary Agenda

The Preliminary Agenda is the formal list of issues scheduled for a meeting (the accumulation of all Staff reports, related correspondence, and data). The Preliminary Agenda is published on the MPC website at www.thempc.org and emailed to the HDBR members at least four (4) days prior to the scheduled meeting.

C. Final Agenda

The Final Agenda is the list of issues scheduled for the meeting, published on the MPC website at www.thempc.org, the morning of the meeting, reflecting any items requested to be removed from the Preliminary Agenda by a Petitioner or for other cause, along with any items added to the Agenda since publication of the Preliminary Agenda. Once published, no additional action items can be added to the Final Agenda. Also, once published, items requested to be removed from the Final Agenda are not formally removed until action to do so is taken by the Board.

2. **Special-Called Meetings:**

- A. The Agenda for a Special-Called Meeting, other than a rescheduled Regular Meeting, shall consist solely of the item(s) or issue(s) identified in the Notice of the call of the meeting.
 - B. The Agenda for a rescheduled Regular Meeting shall consist of the Agenda established for the meeting which the Special-Called Meeting replaces.
3. **Policies Concerning Regular Meeting Agendas (meetings at which action may be taken on Certificates of Appropriateness):**
- (1) The HDBR will vigorously enforce a policy of preventing redundant/repetitious testimony and testimony which does not pertain directly to an issue under consideration. This policy exists to ensure that everyone has an opportunity to present new information germane to the issue being discussed.
 - (2) Agenda items shall be organized according to the following categories:
 - a. Call to Order and Welcome
 - b. Sign Posting
 - c. Consent Agenda
 - d. Adoption of the Agenda
 - e. Approval of Minutes of Previous Meeting

 - c. Consent Agenda: This section shall consist of those Agenda items found by Staff to have apparent consensus between Staff, the Petitioner, and the affected public. Consensus by the public shall consist of the absence of any known objections, including the likelihood, based on Staff's experience, of no objections being raised to the issue in question. Regular Agenda items which previously did not warrant Consent Agenda status but which, according to Staff have achieved Consent Agenda status since publication of the Final Agenda, may be verbally added by the Chair to the Consent

Agenda with the unanimous consent of the Board. Staff shall not place an item on the Consent Agenda for which a Staff report was not provided to the Board .

- i. Approved Staff Reviews: This section shall consist of those applications approved by Staff and any revisions to previous petitions required by the Board for Staff approval prior to the issuance of a Certificate of Appropriateness.

- (4) HDBR Staff prepares an annual table identifying the cut-off date for submittal of a petition for HDBR Regular Meetings. This schedule is to be followed. All complete applications submitted in accordance with the published HDBR cut-off

dates shall be placed on the next scheduled meeting Agenda in order which received.

- (5) In order to increase predictability for Petitioners and the general public, no Agenda item will be advanced out-of-order. However, where circumstances warrant, Agenda items may be moved later or earlier in the meeting by motion of the Board.

III. POSTING OF SIGNS

1. Posting of Property: Except for Staff Reviews, at least fifteen (15) days notice of a public hearing on a request for a Certificate of Appropriateness shall be erected on the premises of the building, structure, or site for which a certificate is being requested. 4. Continued or Rescheduled Hearings: It shall be the Petitioner's responsibility to acquire a replacement sign or change the date on the existing sign indicating the new hearing date.
5. Notice of these procedures and the posting section of the ordinance shall be printed and attached to the signs for the Petitioner's instruction. (See "Appendix B" for form.)

IV. PROCEDURE FOR PRESENTATIONS TO THE HDBR

The following procedures shall govern all issues before the HDBR (See Appendix A for Chairperson's Remarks):

1. The Chair calls the application by number and address according to the Agenda.
2. Staff makes a presentation/recommendation.
3. The Board asks questions of Staff.
4. The Petitioner makes his/her presentation.
5. The Board asks questions of the Petitioner.
6. The Chair inquires as to the number of persons from the public desiring to speak about an issue. Where there is many potential speakers or where there is the likelihood of protracted discussion, the Chair may set time limits on the debate. In this case, no side of the issue shall be afforded less than five (5) minutes for a presentation, nor more than thirty (30) minutes. Members of the public may be allotted up to two (2) minutes to speak. The maximum amount of time afforded shall be a function of the number of persons desiring to speak and the complexity of the issue. The HDBR, upon a finding that the allocated time is insufficient to fully address the issue, may, by a two-thirds (2/3) vote, elect to suspend the rules to allow a greater length of time for debate. Each side shall be allotted the same length of time. However, no side is required to utilize their full allotted time. Time not used by one side cannot be allocated to an opposing side. Adherence to time limits shall be enforced.
7. Rebuttal to public comment by the Petitioner.
8. The Board asks questions of persons from the public, the Petitioner, or Staff.

HDBR meetings operate under Roberts Rules of Order. The following rules for Board action apply:

1. A quorum shall consist of five (5) members. Where a quorum has been lost and such loss of quorum is brought to the attention of the Chair, the Board may continue to hear and vote on Agenda petitions upon a unanimous positive vote of those members present and voting, provided not less than four (4) members are present and, provided that the Chair shall advise all in attendance that such vote is merely an opinion of those members present and, that the issue in question will have to be reviewed by a full quorum of the Board at its next regular meeting, and that a formal decision of the HDBR will not be issued until after such ratification. A re-presentation of the issue is required at the next regular meeting. Under such circumstances, no additional public notices will be given. The finding that a quorum is absent will not affect the validity of a prior action.
2. The form of a motion may be as follows:
 - a. Approve as Submitted:

d. Continue the Petition:

(A motion to continue may be made to a date certain identified in the motion with applicant consent).

I move that the Savannah Historic District Board of Review continue the petition of (applicant name, petition number, and address) until (date) because (state reason for a continuance.)

4. The Chair alone has the power to rule on questions of order or to answer parliamentary inquiries. The Parliamentarian role is an advisory and consultative one. The Chair has the duty to make final rulings and, in doing so, may follow the advice of the Parliamentarian or disregard it. Appeals by two or more members from rulings of the Chair shall be addressed by a majority vote of the Board.

VI. MINUTES

Minutes are to be taken for all meetings of the HDBR.

1. Regular and Special-Called Meetings:

APPENDIX C

CODE OF ETHICS

National Alliance of Preservation Commissions

Code of Ethics for Commissioners and Staff

Preamble

Preservation commissions have been established by local governments throughout the United States to promote the preservation and appropriate development of heritage resources in their communities. The National Alliance of Preservation Commissions (NAPC) is the only organization devoted solely to representing the nation's preservation commissions. Its mission is “to build strong local preservation programs through education, advocacy, and training.” As part of that mission, the NAPC has developed this Code of Ethics to promote and maintain the highest standards of honesty, integrity, and professionalism among the Commissioners and Staff who serve their communities through Preservation Commissions.

These principles are derived from general societal values and recognized principles of professional responsibility. As societal values compete, so may ethical principles. The need for full public disclosure may compete with the need to respect confidential information, for example. The ethical Commissioner or Staff member must carefully balance various public and private interests based on the facts and context of each situation guided by the commitment to serve the public interest.

Individual Commissioners should be knowledgeable, accurate, honest, and forthright in their dealings with other Commissioners, local elected officials and Staff, applicants, and the general public. Although not elected by the public, Preservation Commissioners are accountable for their actions in the communities they serve.

This Code of Ethics comprises guidelines for ethical conduct organized under three main categories:

Responsibility to the Community
Responsibility to the Profession
Standards of Professional Conduct

Under each category are statements of principle to guide Preservation Commissioners and Staff in choosing ethical courses of action for heritage preservation in their communities. The NAPC endorses this Code as the ethical benchmark to which all its members should aspire. In the absence of professional licensure for Preservation Commissioners and Staff, the adherence to a code of ethics is a matter of personal responsibility. However, Preservation Commissions may wish to adopt these principles and standards as a guide. Although stated in the plural, each suggested rule also applies to an individual Commissioner or Staff member.

Responsibility to the Community

The most effective historic preservation takes place locally, and all Preservation Commissioners and Staff should remember that it is their duty, as public servants, to advance the greater good of the community.

1. Commissioners and Staff should be advocates for the community's heritage resources, striving to protect their integrity while recognizing the rights of citizens, individually and collectively, to their beneficial use and enjoyment.
2. Commissioners and Staff should promote public awareness, appreciation, access, and support for the preservation of heritage resources.
3. Commissioners and Staff should develop standards and guidelines that are appropriate for the resources and protect the community's unique character, environment, and quality of life.
4. Commissioners and Staff should respect the diversity of heritage resources that may hold different meanings for various groups and communities.
5. Commissioners and Staff should respect the public's right to know by providing full, clear, and accurate information and observing both the letter and spirit of open meetings and open records laws.
6. Commissioners and Staff should provide opportunities for meaningful public participation in the work of the Commission.

Responsibility to the Profession

Preservation Commissioners and Staff are drawn from many disciplines and backgrounds. The common thread that joins them is their interest and commitment to preserve heritage resources in their communities. A multi-disciplinary profession has developed over the years from the Historic Preservation movement, and Commissioners and Staff have an obligation to advance the best interests of this profession in the context of their Commission work.

1. Commissioners and Staff should be mindful that they are representatives of the greater local, state, and national preservation community and conduct themselves in a way that brings credit to their Commission and the profession.
2. Commissioners and Staff should share their knowledge and experience and contribute to the development of other colleagues, particularly newly appointed commissioners, students, and interns.
3. Commissioners and Staff should actively promote heritage preservation and strive to increase the involvement of underrepresented groups.
4. Commissioners and Staff should support through their memberships and other contributions, organizations that promote heritage preservation.
5. Commissioners and Staff should work collaboratively with related professionals and professional organizations whose actions also affect heritage conservation including, but not limited to, planners, code officials, architects, landscape architects, archaeologists, attorneys, realtors, and developers.
6. Commissioners and Staff should treat fairly and comment responsibly on the professional views of colleagues and members of other professions.
7. Commissioners and Staff should render all practicable assistance to other colleagues and organizations in an emergency when heritage resources are at risk.
8. Commissioners and Staff should acquire a depth of knowledge that will enable them to explain to others the role of heritage preservation in a complex, modern world.
9. Commissioners and Staff should recognize that the field of heritage preservation is constantly evolving and actively pursue continuing educational opportunities in order to maintain, refine, and enhance their capabilities as practitioners.

Standards of Professional Conduct

As public servants, Commissioners and Staff are expected to conduct themselves in accordance with the law. These standards set forth both a baseline for such legal conduct as well as aspirational goals for ethical behavior that may require a conscientious effort to attain.

1. Commissioners and Staff should thoroughly understand the legal framework of heritage preservation and consistently operate within the bounds of their authority and responsibility under the law.

2. Commissioners and Staff should treat all citizens fairly, impartially, and with respect, and refrain from discrimination or harassment of any kind.
3. Commissioners and Staff should not accept gifts or favors under any circumstances where it might appear that acceptance could influence their judgment.
4. Commissioners and Staff should disclose all personal or financial advantages that might accrue to them, their business interests, or family members either directly or indirectly from a recommendation or decision.
5. Preservation Commissioners and Staff who have an actual or apparent conflict of interest in a matter coming before them should recuse themselves entirely from deliberations and decisions.
6. Commissioners and Staff are obligated to utilize their knowledge and experience to make decisions and, therefore, should abstain from participating and voting only in cases of a *bona fide* conflict of interest.
7. Commissioners and Staff should not disclose confidential information obtained in the course of their duties, except as required by the law, or use confidential information to further a personal interest.
8. Commissioners and Staff should not abuse their office by advancing an agenda that is not in the best interest of the community or heritage preservation.
9. Commissioners and Staff should seek the advice of colleagues or other professionals on matters that fall outside their expert knowledge or competence.
10. Commissioners and Staff should be consistent in their actions and recommendations, treating similarly situated properties similarly and providing clear explanations when different treatment is required.
11. Commissioners and Staff should reveal illegal conduct on the part of other Commissioners, Staff, officials, applicants, or their representatives to an appropriate higher authority.
12. Commissioners and Staff should not participate in deliberations or decisions without adequate preparation and knowledge of the matter before them.
13. Commissioners and Staff should avoid dishonesty, never misrepresenting facts or distorting information to achieve a desired outcome.
14. Commissioners and Staff should recognize the uniqueness of heritage properties, applying preservation theories, methods, and standards appropriate to each particular case.
15. Commissioners and Staff should be sensitive to ethical issues and ensure they are raised, critically analyzed, and addressed by the Commission and other appropriate authorities.

This Code of Ethics was developed by members of the NAPC through an interactive process beginning with a series of facilitated sessions held during the July 2006 NAPC FORUM in Baltimore, MD. The resulting set of principles was further developed and refined by members during the following three-month period leading up to the November 2006 annual meeting of NAPC in Pittsburgh, PA. The effort was supported by the Board of Directors and Staff of NAPC, and coordinated by Professor James K. Reap, an attorney and member of the Board, with the involvement of the Historic Preservation Advocacy and Professional Development class in the Master of Historic Preservation Program at the University of Georgia. The NAPC would like to acknowledge the organizations whose guidelines and materials were relied on in developing this code: the American Institute of Architects (AIA), American Planning Association (APA), American Institute of Certified Planners (AICP), American Institute for Conservation of Historic and Artistic Works (AIC), and International Council on Monuments and Sites (ICOMOS).
