

CORE MPO CALL FOR PLANS AND STUDIES

**How does transportation improve?
It starts with a PLAN!**

The CORE MPO is seeking input for the Unified Planning Work Program. Every year the CORE MPO updates the UPWP and this plan sets the framework for transportation plans and studies. Please submit your suggestions by September 30, 2021.

FY 2023 Unified Planning Work Program

Ideas become plans and studies

Studies generate projects

Viabile projects are programmed for funding
via the Metropolitan Transportation Plan (MTP) and Transportation Improvement Program (TIP)

What are your ideas?
