Transportation Alternatives (TA)

CHECKLIST FOR APPLICANTS

- ☒ Have you answered all applicable questions in the application?
- ☒ Has the appropriate person signed the application?
- ☒ Have you filled out the detailed budget table on the last page of this application?
- ☒ Please indicate the sources of funding you are requesting for this project.
☒ Y301 ☒ Y230 ☒ Y601
- ☒ Have you attached a letter from your governing board or official able to commit to the local match?
- ☒ Have you attached a project location map?
- ☒ Have you attached information demonstrating the basis of your project's cost estimate?
- ☒ Have you attached other information that is applicable to the answers in your application?

Transportation Alternatives (Y301) Funds

September 2025 Call for Projects

The Coastal Region Metropolitan Planning Organization (CORE MPO) is conducting a competitive project selection process to award expected FY 2026 - 2030 Transportation Alternatives (TA) Y301 funds, provided through the act entitled Infrastructure Investment and Jobs Act (IIJA, Pub. L. 117-58).

- **Expected Available Funds:**
 - **FY 2026 = \$1,248,676 (federal portion)**
 - **FY 2027 = \$1,414,111 (federal portion)**
 - **FY 2028 = \$1,414,111 (federal portion)**
 - **FY 2029 = \$1,414,111 (federal portion)**
 - **FY 2030 = \$1,414,111 (federal portion)**
- **Maximum Award for a project = available funds for that year (federal portion)**
- **Minimum Award for a Project = \$200,000 (federal portion)**
- **At least 20% of the eligible costs of the proposed project must be locally funded.**
(Previously incurred costs cannot be counted as part of the 20% match for the newly awarded federal funds.)

An applicant may request a minimum of ***at least \$200,000 of federal funds***. The federal funding request in this application can represent no more than 80% of the total cost of the applicant's proposal. For example, if an applicant requests \$1,000,000, and provides no more than the required 20% local match, he/she would be submitting a proposal totaling \$1,250,000.

- **Federal Requirements**

Applicants should keep in mind that using the TA funds involves adherence to federal requirements, as applicable, such as the National Environmental Policy Act (NEPA), prevailing wage rates (Davis-Bacon), Buy America, competitive bidding, and other contracting requirements, regardless of whether the projects are located within the right-of-way of a Federal-aid highway.

- **Projects funded through this selection process must be located within the CORE MPO's Metropolitan Planning Area (MPA) boundary.**

The CORE MPO - administered TA funds can only be spent within the MPO's Metropolitan Planning Area which includes all of Chatham County and portions of Effingham County and Bryan County (see map on the next page).

CORE MPO Metropolitan Planning Area as approved by the Governor of Georgia in 2024

- **Projects, if awarded funds in FY 2026 and FY 2027, will be programmed in the CORE MPO's FY 2024 – 2027 Transportation Improvement Program. Awarded projects in FY 2027 will be carried over to the FY 2027 – 2030 TIP as well. FY 2028 – 2030 funds will build the prioritized waiting list for projects to be included in the FY 2027 – 2030 TIP (revisit the prioritization during TIP development).**

Once the project is programmed in the TIP and the awarded federal funding is authorized in the program year, the funds must be obligated within two years, otherwise the funds will be rescinded for use by other selected priority projects.

Please see CORE MPO Transportation Alternatives Manual for additional information.

Applicant and Project Information

Eligible Entities

Please indicate which type of eligible entity is the primary project sponsor: (Select one.)

- ☒ Local government

- ☐ Regional transportation authority

- ☐ Transit agency

- ☐ Natural resource or public land agencies

- ☐ School districts, local education agencies, or schools

- ☐ Tribal governments

- ☐ Other local or regional governmental entity with responsibility for oversight of transportation improvements that the State of Georgia determines to be eligible.

- ☐ Non-profit entities responsible for the administration of local transportation safety programs.

Eligible Projects

Please indicate which categories your proposal falls under: (Select as many as apply. The number of categories does not affect your project's score). **Please see CORE MPO Transportation Alternatives Manual for additional information.**

- ☒ Construction, planning, and design of on-road or off-road trail facilities for pedestrians, bicyclists, or other nonmotorized forms of transportation, which can include sidewalks, bicycle infrastructure, pedestrian and bicycle signals, traffic calming techniques, lighting and other safety-related infrastructure, and transportation projects to achieve compliance with the Americans with Disabilities Act.

- ☐ Construction, planning, and design of infrastructure-related projects and systems that will provide safe routes for non-drivers, including children, older adults, and individuals with disabilities to access daily needs.

- ☐ Conversion and use of abandoned railroad corridors for trails for pedestrians, bicyclists, or other nonmotorized transportation users.

- ☐ Construction of turnouts, overlooks, and viewing areas.

- ☐ Community improvement activities, which can include but are not limited to: inventory control, or removal of outdoor advertising; historic preservation and rehabilitation of historic transportation facilities, vegetation management practices in transportation ROW, archeological activities relating to impacts of a transportation project eligible under Title 23 of the USC.

-
- ☐ Environmental mitigation activity, including stormwater management and water pollution prevention or abatement from highway construction or highway runoff; reduction of vehicle-cased wildlife death, restoration of the connectivity of habitat.
-
- ☐ Recreational trails under 23 USC 206
-
- ☐ Safe Routes to School (SRTS) infrastructure-related project
-
- ☐ Safe Routes to School (SRTS) non-infrastructure-related project
-
- ☐ Planning, designing, or constructing boulevards and other roadways largely in the right-of-way of former Interstate System routes or other divided highways.

Applicant Information		
Agency Name (i.e. agency that will manage implementation) Effingham County (County Engineering Services)		Date 10/7/2025
Street Address 804 South Laurel Street	City, State Springfield, GA	Zip Code 31329
Contact Person's Name Jonathan Hulme, P.E.	Title County Engineer	
Contact Person's Phone Number (912) 754-8080	Contact Person's Email Address jhulme@effinghamcounty.org	
Project Manager's Name (if awarded) Jonathan Hulme, P.E.	Title County Engineer	

Project Overview		
Project Name McCall Road Multi-Use Trail		
Project Location Description (please also attach a location map) The project extends along McCall Road from Blue Jay Road to Hodgeville Road, covering approximately 5.8 miles in unincorporated southern Effingham County. This east–west connector serves several residential neighborhoods and is a critical link between Blue Jay Road and the Hodgeville corridor. The existing two-lane roadway lacks curb and gutter, has narrow shoulders, and provides no pedestrian or bicycle facilities.		
County (or counties) in which project is located Effingham County	City (or cities), if any, in which project is located	
Proposal Description Summary The McCall Road Multi-Use Trail Project will add a ten-foot multi-use trail and a five-foot sidewalk along both sides of the corridor to provide safe, ADA-compliant access for pedestrians and cyclists. The project will reconstruct the existing two-lane roadway with curb and gutter, drainage upgrades, and intersection improvements at Blue Jay Road and Hodgeville Road. This project will connect directly to other planned multimodal corridors—including Blue Jay Road, Hodgeville Road, and Kolic Helmey Road—forming a continuous network of safe, non-motorized infrastructure across southern Effingham County. These improvements will also support local access to nearby schools, neighborhoods, and employment areas while reducing pedestrian–vehicle conflict points.		
Total Estimated Project Cost* \$6,247,500	Federal Y301 Funds Requested \$4,998,000	Local Match Available \$1,249,500
<i>*Please also be sure to fill out the Budget Detail Table at the end of this application.</i>		

Who is providing the local match?

Name of Agency or Organization	Source (e.g. particular CIP fund)
Effingham County	SPLOST/TSPOLST

Please attach a letter signed by either your governing board or an official who can commit to the stated local match.

Has your agency managed and completed other federal-aid transportation projects before? (Choose one)

- ☒ 0 completed federal-aid projects
-
- ☐ 1 completed federal-aid project
-
- ☐ 2 completed federal-aid projects
-
- ☐ 3 or more completed federal-aid projects

Please list as many as three federal-aid projects completed by your agency, ***preferably for projects that are similar to your proposal:***

P.I. No.	Project Name	Sponsor's Project Manager

What agency will maintain the project after completion?

If a maintenance agreement is necessary, has it been executed? (Chose one) Y / **N** / NA
 If yes, please attach the agreement.

If the completed project will generate the need for operational funds, please describe the estimated annual cost and the status and source of funding for operations.

EFFINGHAM COUNTY WILL PROVIDE FOR MAINTENANCE OF THE CONSTRUCTION IMPROVEMENTS. THE COUNTY ALREADY PROVIDES MAINTAINCE OF THE EXISTING ROADWAY WITHIN THE RIGHT OF WAY AND WILL CONTINUE IN THE FUTURE.

Will your project require purchase(s) or easement(s) for right-of-way (Choose one)

Y / N / Maybe

Additional information:

RIGHT OF WAY WILL BE REQUIRED. THE GOAL IS TO MINIMIZE IMPACTS TO THE ADJACENT PROPERTIES.

If other agencies or organizations are partnering with you on this application or on implementation of your proposal, please list and describe the nature and the status of any agreements (e.g. ROW donations or easements):

Organization #1	
N/A	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

Organization #2	
N/A	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

Organization #3	
N/A	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

If funding were available today, how much time do you estimate would be needed for any phases of your project that would be funded by this request:

Phase(s) to be Y301-funded	No. of Months
Preliminary Engineering (Design, Environmental, and Permitting)	12
Right-of-Way Acquisition	9
Construction	15

Please list any necessary preliminary work that already *has been completed*, and provide dates (e.g. GDOT concept approval, FHWA environmental approval or categorical exclusion, etc.):

Steps Completed	Date
Corridor Inclusion in County Transportation Master Plan	July 2025
Concept Alignment and Cross-Section Development	August 2025
Cost Estimating and Funding Strategy	September 2025
Initial Environmental Screening	September 2025
Coordination with Effingham IDA and GDOT	September 2025

Please describe status of any non-Y301 funded work that *still needs to be completed before the project or phase that would be funded by this request can begin* (e.g. if Y301 funds + Local Match will fund only the construction phase, what is the status and schedule for the incomplete preliminary engineering and ROW phases?).

Status of Steps to be carried out before Y301-funded work begins	Estimated completion date
Planning / Concept Development	Completed – July 2025
Environmental Screening (Preliminary)	Ongoing – Complete by December 2026
Utility Coordination (Initial)	Complete by March 2027
Preliminary Engineering (PE)	Start: April 2026 → Complete: March 2027
Right-of-Way (ROW) Acquisition	Start: April 2027 → Complete: December 2027
Construction (Future Phase)	Start: March 2028 → Complete: June 2029

In 500 words or less, please describe what public benefits and efficiencies would be provided to our area by your proposed project. For example, how does your project match the project ranking criteria such as safety, community benefit, connectivity and accessibility, transit access, crash reductions, etc.? **(Please reference the CORE MPO Transportation Alternatives Program Manual for project ranking criteria.)**

The McCall Road Multi-Use Trail Project will significantly improve safety and mobility for residents and commuters traveling between Blue Jay Road and Hodgeville Road, two of Effingham County's busiest growth corridors. The roadway currently lacks sidewalks and shoulders, creating unsafe conditions for pedestrians and cyclists who must share travel lanes with vehicles.

This project will reconstruct McCall Road as a complete street, providing a ten-foot multi-use trail, a five-foot sidewalk, and curb and gutter to separate non-motorized users from vehicle traffic. Drainage and stormwater upgrades will reduce flooding and improve roadway durability, while turn-lane and intersection enhancements will increase operational safety.

The project supports multimodal connectivity by linking three other major County corridors: Blue Jay Road, Hodgeville Road, and Kolic Helmey Road. This network will allow residents to travel safely between neighborhoods, schools, and job centers without depending solely on personal vehicles. By investing in equitable, ADA-compliant pedestrian and bicycle infrastructure, Effingham County is improving quality of life for residents while advancing the goals of the Effingham County Transportation Master Plan (2025), the CORE MPO's regional objectives, and the Justice40 initiative.

Design will follow context-sensitive principles, preserving vegetation, minimizing ROW needs, and respecting adjacent property character. Once completed, the facility will be maintained by the Effingham County Roads Division, ensuring long-term safety, access, and connectivity.

Subject: Transportation Alternatives (TA) (Y301) Funds – Commitment of Stated Local Match for the McCall Road Project

Dear Ms. Hernton,

The Effingham County Board of Commissioners is pleased to submit this request for Transportation Alternatives (TA) (Y301) funding for the McCall Road Project.

Effingham County hereby confirms that TSPLOST and SPLOST funds are available to provide the required 20% local match in the amount of \$1,192,100 for the total project cost of \$6,247,500. The County respectfully requests federal Transportation Alternatives (TA) (Y301) Funds of \$4,768,400 (80%) to complete this project.

If you have any questions, please call Jonathan Hulme at (912) 754-8080.

Sincerely,

Damon Rahn
Chairman At Large
Effingham County Board of Commissioners

To Whom it May Concern,

Effingham County has initiated the LAP Certification process. Jonathan Hulme has completed all five required training classes and is currently working on the application and supporting documents. The county's goal is to submit the package in November and be granted Full LAP Certification by January 2026.

Sincerely,
