Carbon Reduction Program (CRP)

CHECKLIST FOR APPLICANTS

- ☐ Have you answered all applicable questions in the application?
- ☐ Has the appropriate person signed the application?
- ☐ Have you filled out the detailed budget table on the last page of this application?
- ☐ Please indicate the sources of funding you are requesting for this project.

☐ Y601 ☐ Y230 ☐ Y301
- ☐ Have you attached a letter from your governing board or official able to commit to the local match?
- ☐ Have you attached a project location map?
- ☐ Have you attached information demonstrating the basis of your project’s cost estimate?
- ☐ Have you attached other information that is applicable to the answers in your application?

Carbon Reduction Program (Y601) Funds

September 2025 Call for Projects

The Coastal Region Metropolitan Planning Organization (CORE MPO) is conducting a competitive project selection process to award expected FY 2026 - 2030 Carbon Reduction Program (Y601) funds, provided through the act entitled Infrastructure Investment and Jobs Act (IIJA, Pub. L. 117-58).

- **Expected Available Funds (subject to change, funding after 2026 contingent upon IIJA Continuing Resolution or CRP inclusion in future transportation legislation):**
 - FY 2026 = \$1,200,000 (federal portion)
 - FY 2027 = \$0 (federal portion)
 - FY 2028 = \$1,200,000 (federal portion)
 - FY 2029 = \$1,200,000 (federal portion)
 - FY 2030 = \$1,200,000 (federal portion)
- **Maximum Award for a project = available funds for that year (federal portion)**
- **Minimum Award for a Project = \$200,000 (federal portion)**
- **At least 20% of the eligible costs of the proposed project must be locally funded.** (Previously incurred costs cannot be counted as part of the 20% match for the newly awarded federal funds.)

An applicant may request a minimum of ***at least \$200,000 of federal funds***. The federal funding request in this application can represent no more than 80% of the total cost of the applicant's proposal. For example, if an applicant requests \$1,000,000, and provides no more than the required 20% local match, he/she would be submitting a proposal totaling \$1,250,000.

- **Federal Requirements**

Applicants should keep in mind that using the CRP funds involves adherence to federal requirements, as applicable, such as the National Environmental Policy Act (NEPA), prevailing wage rates (Davis-Bacon), Buy America, competitive bidding, and other contracting requirements, regardless of whether the projects are located within the right-of-way of a Federal-aid highway.

- **Projects funded through this selection process must be located within the CORE MPO's Metropolitan Planning Area (MPA) boundary.**

The CORE MPO - administered CRP funds can only be spent within the MPO's Metropolitan Planning Area which includes all of Chatham County and portions of Effingham County and Bryan County (see map on the next page).

CORE MPO Metropolitan Planning Area as approved by the Governor of Georgia in 2024

- **Projects, if awarded funds in FY 2026 and FY 2027, will be programmed in the CORE MPO's FY 2024 – 2027 Transportation Improvement Program. Awarded projects in FY 2027 will be carried over to the FY 2027 – 2030 TIP as well. FY 2028 – 2030 funds will build the prioritized waiting list for projects to be included in the FY 2027 – 2030 TIP (revisit the prioritization during TIP development).**

Once the project is programmed in the TIP and the awarded federal funding is authorized in the program year, the funds must be obligated within two years, otherwise the funds will be rescinded for use by other selected priority projects.

Please see CORE MPO Carbon Reduction Program Manual for additional information.

Applicant and Project Information

Eligible Entities

Please indicate which type of eligible entity is the primary project sponsor: (Select one.)

- ☐ Local government
-
- ☐ Regional transportation authority
-
- ☐ Transit agency
-
- ☐ Other local or regional governmental entity with responsibility for oversight of transportation improvements that the State of Georgia determines to be eligible.

Eligible Projects

Please indicate **all** applicable categories your proposal falls under. [Please see CORE MPO Carbon Reduction Program Manual for information on project eligibility.](#)

- ☐ Innovative technologies and modes
-
- ☐ Operational efficiency improvements
-
- ☐ Sustainable infrastructure

Applicant Information		
Agency Name (i.e. agency that will manage implementation) Chatham County		Date 10/09/2025
Street Address 124 Bull Street	City, State Savannah, Georgia	Zip Code 31401
Contact Person's Name Damon Rice	Title Civil Engineer I	
Contact Person's Phone Number (912) 652-7819	Contact Person's Email Address darice@chathamcounty.org	
Project Manager's Name (if awarded) Damon Rice	Title Civil Engineer I	

Project Overview		
Project Name Johnny Mercer Blvd Pedestrian Improvements		
Project Location Description (please also attach a location map) Johnny Mercer BLVD roadway from US-80 to Turner's Rock RD		
County (or counties) in which project is located Chatham County	City (or cities), if any, in which project is located N/A	
Proposal Description Summary The Johnny Mercer Pedestrian Improvements will construct operational and safety improvements for bicycles, and pedestrians from the US-80 to Turners Rock Road. The project length is 2.2 miles. The project will improve Johnny Mercer Boulevard by adding a five foot concrete sidewalk and a multi-use path. All construction will be in accordance with the Americans with Disabilities Act. Pedestrian infrastructure at intersections will be updated for safety. This portion of Johnny Mercer Boulevard serves 3 schools, public library, community center, religious institutions and mixed socioeconomic housing communities.		
Total Estimated Project Cost* \$ 8,750,000	Federal Y601 Funds Requested \$ 7,000,000	Local Match Available \$ 1,750,000
<i>*Please also be sure to fill out the Budget Detail Table at the end of this application.</i>		

Who is providing the local match?

Name of Agency or Organization	Source (e.g. particular CIP fund)
Chatham County	Special Purpose Local Option Sales Tax (SPLOST)

Please attach a letter signed by either your governing board or an official who can commit to the stated local match.

Has your agency managed and completed other federal-aid transportation projects before? (Choose one)

- ☐ 0 completed federal-aid projects
- ☐ 1 completed federal-aid project
- ☐ 2 completed federal-aid projects
- ☐ 3 or more completed federal-aid projects

Please list as many as three federal-aid projects completed by your agency, ***preferably for projects that are similar to your proposal:***

P.I. No.	Project Name	Sponsor's Project Manager

What agency will maintain the project after completion?

If a maintenance agreement is necessary, has it been executed? (Chose one)

Y / N / **(NA)**

If yes, please attach the agreement.

If the completed project will generate the need for operational funds, please describe the estimated annual cost and the status and source of funding for operations.

Will your project require purchase(s) or easement(s) for right-of-way (Choose one) ☒ Y / N / Maybe
Additional information:

--

If other agencies or organizations are partnering with you on this application or on implementation of your proposal, please list and describe the nature and the status of any agreements (e.g. ROW donations or easements):

Organization #1	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

Organization #2	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

Organization #3	
N/A	
Contact Name	Contact Phone
Contact Email:	
Status of Agreement	

If funding were available today, how much time do you estimate would be needed for any phases of your project that would be funded by this request:

Phase(s) to be Y601-funded	No. of Months
Preliminary Engineering	30
ROW	16
Construction	22

Please list any necessary preliminary work that already *has been completed*, and provide dates (e.g. GDOT concept approval, FHWA environmental approval or categorical exclusion, etc.):

Steps Completed	Date
N/A	

Please describe status of any non-Y601 funded work that *still needs to be completed before the project or phase that would be funded by this request can begin* (e.g. if Y601 funds + Local Match will fund only the construction phase, what is the status and schedule for the incomplete preliminary engineering and ROW phases?).

Status of Steps to be carried out before Y601-funded work begins N/A	Estimated completion date

In 500 words or less, please describe what public benefits and efficiencies would be provided to our area by your proposed project. For example, how does your project match the project ranking criteria such as safety, community benefit, mobility, hazard response, air quality co-benefits, implementation factors, potential to reduce carbon emissions, consumer savings, economic and workforce development? **(Please reference the CORE MPO Carbon Reduction Program Manual for project ranking criteria.)**

AGENDA ITEM: 10.4

AGENDA DATE: October 03, 2025

TO: Chairman and Members of the Board
THRU: Michael A Kaigler, County Manager
FROM: Suzanne Cooler, County Engineer

Michael A. Kaigler

Suzanne Cooler

ISSUE:

Request Board approval to submit a Transportation Alternative (TA) Y301, Carbon Reduction Program (Y601), Surface and Transportation Block (Y230) Grant application to the Coastal Region Metropolitan Planning Organization (CORE MPO) for the Johnny Mercer Blvd Pedestrian Improvement Project in the amount of \$8,750,000 for Preliminary Engineering, Right of Way, and Construction for FY 2029. (NOTE: Local match in the amount of \$1,750,000 will be required.) [Districts: 1 & 4.]

BACKGROUND:

Johnny Mercer Boulevard is a minor arterial roadway with little pedestrian accommodations. This project will consider non-motorized transportation improvements on Johnny Mercer Boulevard from US-80 to Turner's Rock Road.

FACTS AND FINDINGS:

1. This portion of the Johnny Mercer Boulevard corridor serves residential neighborhoods, schools, and churches. A need for pedestrian infrastructure has been identified to improve safety and accessibility. Sidewalks and paths will reduce the risks associated with pedestrians walking along the roadway. The proposed project will address these needs while also improving safety for all road users and enhancing drainage quality.
2. This project will construct a 2.2-mile shared-use path and sidewalk to enhance both sides of Johnny Mercer Boulevard.
3. Staff has prepared a Y301, Y230, and Y601 Grant application for \$8,750,000 for submittal to the CORE MPO. If awarded, these funds will require a local match of \$1,750,000. Funding applications are due on October 10, 2025.
4. Staff is applying for this project for fiscal year 2029.

BLUEPRINT ALIGNMENT:

1.4.2.4. Goal 4: Provide effective and efficient government services while ensuring that processes and procedures are planned and executed with transparency.

FUNDING:

Should the grant be awarded, local match funds are programmed on the County's SPLOST VIII project list for sidewalks and trails.

ALTERNATIVES:

1. Board approve to submit a Surface Transportation Block Grant(Y230), Transportation Alternatives (Y301), and Carbon Reduction Program (Y601) Grant application for Johnny Mercer Blvd Pedestrian Improvement Project to the CORE MPO in the amount of \$8,750,000 for preliminary engineering, right-of-way, and construction costs, and have the chairman execute the required documents for the application.
2. Do not approve the grant application.

POLICY ANALYSIS:

It is consistent with Board Policy to approve all grant applications.

RECOMMENDATION:

That the Commissioners adopt alternative No. 1.

Subject: Johnny Mercer Boulevard Pedestrian Improvements

Dear Ms. Wang:

Chatham County is submitting a funding application for the subject project for Surface Transportation Block Grant (Y230), Transportation Alternative (Y301) and Carbon Reduction Program (Y601) funds through the CORE MPO 2025 Call for Projects. On October 3, 2025, the Chatham County Board of Commissioners approved the submission of this application and confirmed that Special Purpose Local Option Sales Tax (SPLOST) funds are available to provide the required local match of \$1,750,000. We appreciate the opportunity to work with CORE MPO to improve the transportation system in Chatham County.

Sincerely,

Suzanne Cooler, P.E.
County Engineer

RE: Local Administered Project (LAP) Certification, CA-Certification Acceptance

Dear Mr. Panther,

Please accept this letter as formal notification that Chatham County has been recertified to administer federal-aid projects for a period of five (5) years, from 7/9/2025 until 9/30/2030. As specified in the agreement, the local public agency agrees to adhere to the Georgia Department of Transportation (GDOT) Local Administered Project Manual for the local administration of Federal-aid projects. The "Person in Responsible Charge" accepts the following responsibilities:

- Ensures that all applicable Federal and State regulations are followed on the project and have the responsibility, authority, and resources to manage the project accordingly.
- Serves as agency point of contact for issues or inquiries concerning the project and certification.
- Performs regular maintenance of records with an adequate filing system is mandatory and stored on-site.
- Performance measures are tracked and reported with timely responses for all requests.

Please note, as specified in the LAP Manual, the government may lose certification status or have delegation authority reduced if found to be in non-compliance through project manager reviews, final project inspection, changes in qualification of local government staff, and state or federal audits. In addition, the local government may be required to reimburse the Federal Highway Administration for federal-aid payments previously received on the project.

If you have any questions, please contact Ja'Nece Gibson, LAP Program Manager at (404)532-0076.

Sincerely,

Derrick Brown,
Program Control Administrator
