Importance: High

Good afternoon Wykoda/Asia,

The Planning Office would like to request administrative modification to the current CORE MPO TIP and MTP for PI 0020739. Federal funds from FY 2026 CST phase have been removed and GDOT will deliver this project using state resources; since the TIP/MTP shall contain all regionally significant projects requiring an federal action, this project will remain in the illustrative section of the TIP. I attached the CORE MPO TIP sheet pdf for your convenience. Please let us know when you can publish this project on the MPO website.
