TIP sheet_PI 0020739 Admin Mod_October 2025.pdf;

Good afternoon Wykoda/Asia,

The Planning Office would like to request an administrative modification to the current CORE MPO TIP and MTP for PI 0020739 I-16 FROM I-95/CHATHAM TO SR 67/BULLOCH based on the below table information. Since the TIP/MTP shall contain all regionally significant projects requiring an federal action, this project will remain in the illustrative section of the TIP.

This is a time sensitive request due to the CE approval pending to these updates. Please let us know when you would be able to publish this project on the MPO website. I attached the CORE MPO TIP sheet pdf for your convenience. Thank you!
