

Amendments to FY 2024 – 2027 Transportation Improvement Program October 2025

Transportation Improvement Program (TIP) is the MPO’s short-range programming document and is a staged, multi-year listing of surface transportation projects proposed for federal, state, and local funding within the metropolitan planning area. The TIP may be modified in accordance with the procedures outlined in the adopted Participation Plan by resolution of the CORE MPO Board if priorities, area goals, project schedules or funding levels change.

The current FY 2024 – 2027 TIP was adopted by the CORE MPO Board on November 1, 2023, and is referenced in the Statewide TIP (STIP). It is important to make sure that the information contained in the TIP is current and reflective of the most up-to-date cost estimates and development schedules. It is also important to amend the TIP to add new or delete existing projects/phases at the request of sponsoring agencies based on the project changes and MTP/TIP consistencies.

In September and October 2025, the Georgia Department of Transportation (GDOT) and Chatham County requested several amendments to the TIP. GDOT requested that PI# 0021292, I-95 @ Belfast Keller Road, be amended into the FY 2024-2027 TIP. Chatham County requested to move the utility and construction phases of PI# 0017976, Garrard Avenue Improvement Project, to FY 2027.

The final adopted changes to the FY 2024-2027 TIP in October 2025 are detailed in the following pages.

AMENDMENT PROCESS FOR FY 2024 – FY 2027 TIP

The Transportation Improvement Program (TIP) must be consistent with the current 2050 Metropolitan Transportation Plan (MTP) called Moving Forward Together 2050 Plan. Before any amendments can be made to the FY 2024 - 2027 TIP, MTP/TIP consistency must be verified. The TIP must also be conformant to the Performance Based Planning and Programming (PBPP). Projects/Phases requiring amendments, as opposed to administrative modification, to the TIP require a 15-day public review and comment period.

PUBLIC PARTICIPATION PROCESS

The adopted TIP/STIP amendment process outlined in the CORE MPO Participation Plan requires public review and comment and responses to all comments (either individually or in summary form) for all TIP amendments. To process the proposed amendments in October 2025, CORE MPO advertised a fifteen (15) day public comment period in the Savannah Morning News on Sunday, October 5, 2025 (Appendix B). The notice was sent to the local news media and the consultation agencies as well as neighborhood associations and posted on the CORE MPO website. The comment period started on October 8, 2025 and closed on October 22, 2025. A public hearing was held in conjunction with the CORE MPO Board meeting on October 22, 2025. No written comments on the proposed TIP amendments have been received from the public. Other verbal comments from the CORE MPO Board and advisory committees have been addressed on the floor at the October 2025 meetings.

PROPOSED AMENDEMENTS TO FY 2024 – FY 2027 TIP

PI#	Description	Amendment
0021292	I-95 @ Belfast Keller Road	Amend the project into the TIP, including \$25,000 in PE funds and \$100,000 in ROW funds
0017976	Garrard Avenue Improvement Project	Move UTL and CST funds to FY 2027

I-95 @ Belfast Keller Road

PI#	0021292
MTP Priority:	The 2050 MTP amendments are being processed in October 2025 to include the project (PE, ROW and CST) into Cost Band One.
Project Description:	Ramp (Interchange Improvements).
Project Status:	In September 2025, GDOT requested to amend this project into the 2050 MTP and FY 2024 – 2027 TIP. The estimated PE phase funding is \$25,000 in local funds in FY 2026. The estimated ROW funding is \$100,000 in local funds in FY 2027. The estimated CST funding is \$5.9 million in Y603 funds in FY 2028, which is outside of the scope of this TIP. The federal portion of the CST phase is \$4.78 million, and the local portion is \$1.19 million.
Amendment:	Amend the project into the TIP.
PBPP:	This project will help achieve the performance targets for Bridge and Pavement quality (PM2).
Requesting Agency:	GDOT

Garrard Avenue Improvement Project

PI#	0017976
MTP Priority:	Consistent with the 2050 MTP
Project Description:	The Garrard Avenue Improvement Project proposes to construct operational and safety improvements for non-motorized and motorized roadway users from its intersection with Chatham Parkway to its intersection at Gamble Road, approximately 1.2 miles in length. This project will convert Garrard Avenue from a rural, two-lane roadway section without pedestrian improvements to a new two-lane, urban section with 5-foot sidewalks on both sides of the roadway. The project will also install curb and gutter as well as stormwater and water quality improvements. The project will benefit the densely populated, lower income area where many residents do not have vehicles to get to their destinations.
Project Status:	In October 2025, Chatham County requested to move the funds programmed in FY 2026 for the UTL and CST phases to FY 2027. This includes \$678,260 in the UTL phase and funds totaling \$9.6 million in the CST phase.
Amendment:	Move the UTL and CST phases to a later year.
PBPP:	This project will help achieve the performance targets for Highway Safety (PM1) and Air Quality (PM3).
Requesting Agency:	Chatham County

PUBLIC NOTICE FOR MTP and TIP AMENDMENTS

The Coastal Region Metropolitan Planning Organization (CORE MPO), the transportation planning agency for the Savannah urbanized area, is intending to process amendments to the 2050 Metropolitan Transportation Plan (MTP) and the FY 2024 - 2027 Transportation Improvement Program (TIP). CORE MPO is requesting the public to review and provide comments on the draft reports for the MTP and TIP amendments. The reports include proposed updates to the MTP and TIP. Copies of the draft amendment reports for the MTP and the TIP will be available for review at the Live Oak public libraries, the Chatham County - Savannah Metropolitan Planning Commission (MPC) office, the MPC website at <https://www.thempc.org/Core>, and other public review agencies. Any changes to the MTP and/or TIP amendment reports will be posted on the website.

The comment period starts on **Wednesday, October 8, 2025**, until the close of business on **Wednesday, October 22, 2025**. Comments are accepted via text, email, or mail. Please send your comments to Asia Hernton via:

Text: Send texts to herntona@thempc.org

Email: herntona@thempc.org

Mail: Metropolitan Planning Commission, 110 E. State Street, Savannah, GA 31401

CORE MPO will host one (1) hybrid public meeting to answer questions and accept comments on the proposed MTP and TIP Amendments in conjunction with the October 2025 CORE MPO Board meeting. The public can attend the meeting in person or virtually via Go-To-Webinar. The meeting time, location and link are listed below.

CORE MPO Board Meeting

Appendix D: TIP Amendment Coordination

Good afternoon Wykoda/Asia,

The Office of Planning would like to request an amendment to the current TIP and MTP for adding a new earmark project PI 0021292 based on the information below, and the Congressional Earmark Table (attached). Please add the proposed TIP and MTP project amendment to the next TCC and PC agendas for October 2025. The federal funds have been awarded through the federal fiscal year 2024 Congressional Directed Spending/Earmarks. This earmark should be an addition to the MTP revenues.

Amendment:
