# **Amendment to FY 2015 - 2018 Transportation Improvement Program (TIP) of the Coastal Region Metropolitan Planning Organization (CORE MPO)**

**February 2017**

The Transportation Improvement Program (TIP) is the MPO's short-range programming document and is a staged, multi-year listing of surface transportation projects proposed for federal, state and local funding within the metropolitan area. The TIP may be modified in accordance with the procedures outlined in the adopted Participation Plan by resolution of the CORE MPO Board if priorities, area goals, project schedules or funding levels change. The CORE MPO's current FY 2015 - 2018 TIP was adopted by the MPO Board in August 2014. A series of administrative modifications and amendments have been processed for various projects since the adoption of the TIP.

At the end of November 2016, the Chatham Area Transit Authority (CAT) proposed a TIP amendment to add to the TIP the 2016 Bus and Bus Facilities Discretionary Grant Program (5339b) funds that CAT received recently. CAT applied for and received these grant funds for paratransit vehicle purchase. The 5339b program is administered by the Federal Transit Administration (FTA), so the received grant funds must be programmed in the TIP before CAT can access them.

The adopted TIP/STIP amendment process outlined in the CORE MPO's Participation Plan requires public review and comment and responses to all comments (either individually or in summary form) for all TIP amendments. In order to process the proposed amendment, CORE MPO advertised a fifteen (15) day public comment period in the Savannah Morning News on Sunday, February 5, 2017. The notice was sent to the local news media and the consultation agencies as well as neighborhood associations, and posted on the CORE MPO website. The comment period started on February 7, 2017 and closed on February 21, 2017. A public hearing for the TIP amendment was held in conjunction with the CORE MPO Board meeting on February 22, 2017.

The CORE MPO's Citizens Advisory Committee (CAC) and Technical Coordinating Committee (TCC) endorsed the proposed TIP amendment at their February 2017 meetings on February 2 and February 16 respectively. The CORE MPO Board approved the TIP amendment on February 22, 2017.

The following outlines the TIP amendment.

**Subject:** TIP Update

Hi Wyokda,

Just realized that the our FTA 5339b discretionary fund have not yet been programmed in the TIP (or at least I don't see them). Here's a quick description of the project:

Title: Purchase 26 paratransit vehicles  
FTA Amount: \$1,608,880  
Local Amount: \$689,520

Here's the award page on FTA's website.... <https://www.transit.dot.gov/funding/grants/fiscal-year-2016-bus-and-bus-facilities-projects>

I've attached a copy of our application. Please be aware that we proposed 5 different projects and only one was selected (replacing the paratransit vehicles). I'm assuming that it's too late to get this in the next TIP update, but could you please insert this into the one after it? Please let me know if you need any additional info or if you have any questions.

Thanks,
