

“The Questions and Answers stated that electronic proposals will be accepted. Does this mean that responses can be submitted via email or some sort of online platform? If yes, can you please provide the email or web address that should be used?”

“Per the questions and answers posted for the SR 21 Access Management Study, can you confirm if electronic submittals should be sent to this email, or if not, can you let me know where they should be sent?”

Electronic proposals may be submitted in PDF format, size limit 10 MB, to helms@thempc.org by 5 p.m. EST. Proposals may also be sent on USB flash media by US mail or courier to 110 East State Street, Savannah, GA 31401. Late submissions shall not be accepted and will be returned unopened.
