

# THAT TIME OF YEAR AGAIN!

## MAY IS PRESERVATION MONTH AND THE METROPOLITAN PLANNING COMMISSION IS CELEBRATING!

Every year in May, local preservation groups, state historical societies, and business and civic organizations across the country celebrate Preservation Month! Preservation Month began as National Preservation Week in 1973, but in 2005, the National Trust extended the celebration to the entire month of May and declared it Preservation Month to provide an even greater opportunity to celebrate Historic Preservation throughout the country. During the month of May, the MPC has several virtual activities planned to engage the community in the world of Historic Preservation. Visit the Historic Preservation home page on our website to learn more.
