The Chatham County - Savannah Metropolitan Planning Commission is seeking qualified applicants for the position listed below.

GIS Programmer: Must be proficient with the following technologies: Visual Studio 2019, ECMAScript 5, C# and Microsoft development technologies. The GIS Programmer will work under the SAGIS Director to implement geospatial applications using ESRI technologies (experience with ArcGIS, ArcGIS API for JavaScript and WebApp Builder a plus) required for SAGIS and partner operations. The position will be responsible for GIS application development, web site design, and other GIS tools and applications. Experience with custom GIS applications, ArcGIS Server, scripting and automation, and enterprise geodatabase management is preferred. Technical writing, excellent public speaking skills, and the ability to collaborate across agencies are essential. Full job description is attached.

Send resume and cover letter to: Lara Hall, S A G I S Director, Chatham County-Savannah Metropolitan Planning Commission, P. O. Box 8246, Savannah, GA 31412-8246; phone: 912-651-1440; fax: 912-335-5922; or email: halll@thempc.org with the following subject line: GIS Programmer. Position is open until filled. Salary will be commensurate with experience and qualifications.
