# COMMUNITY PARTICIPATION

---

## Introduction

---

Pooler 2040 ultimately belongs to the citizens of Pooler.

Through the Community Participation Plan Element, the Pooler 2040 team sought to gather the community's opinions, priorities, and visions about the future of the area. An in-depth public engagement effort was made in the months leading up to the draft of Pooler 2040, and included a public survey, pop-up events, and virtual meetings.

Specifically, this community participation plan sought to engage the public on issues addressed in the comprehensive plan.

# COMMUNITY PARTICIPATION PROGRAM

The vision for Pooler 2040 represents the voice of our community. Through the two-year planning process, Pooler community members shared their unique perspectives on what makes their community great and their suggestions for improvements. The goal of the engagement process was to bring as many voices into the planning effort as possible to get a wide range of ideas and perspectives and build a broad base for implementing Pooler 2040.

The Pooler 2040 process collected valuable input from diverse platforms, community members, and stakeholders to shape the Plan's vision and goals. The outreach process involved a variety of different approaches, which are listed below:

- 14 Virtual Public Meetings
- 10 Email Blasts
- 6 Quarterly Newsletters
- MPC Annual Report
- Press Releases (Traditional Media Interviews)
- City of Pooler Online Promotion
- Online Interactive Comment Mapper (~300 Comments)
- Social Media (Instagram, Twitter, Facebook)
- Utility Bill Messages
- Pop-up events
- Billboard
- Dedicated Plan 2040 Website
- Online Survey (914 Participants)

# COMMUNITY SURVEY & SWOT ANALYSIS

## Survey Overview

MPC staff developed a survey aimed at collecting a wide range of input. The survey was intended to be more in depth than previous comprehensive plan updates and took approximately 25 minutes to complete. The survey aimed to collect a wide range of input and covered various topics including:

- Quality of Life
- Housing
- Land Use
- Natural Resources (Sea Level Rise)
- Transportation
- Economic Development

The survey was open from October 23, 2020 to January 19, 2021. A total of 914 responses were received from Pooler's residents.

The 24-question survey consisted of multiple choice and open-ended response questions. The MPC staff participated in the survey development and made suggested changes prior to publication. The survey was available online and in print versions, and was offered in Spanish for communities where English is not the primary language.

To get a better understanding of the citizens that participated in the Plan 2040 Survey, additional information about each respondent was requested.

- What is your race/ethnicity?
- What is your age?
- Which housing category describes you?
- What is your highest level of education?
- What is your primary mode of travel?

The Steering Committee participated in an exercise called a SWOT analysis which identified Strengths, Weaknesses, Opportunities, and Threats (SWOT) in Pooler.

Steering Committee input helped determine the city of Pooler's needs and opportunities as part of the comprehensive planning process. The results are incorporated into the body of the plan. On the following page is the results of the Steering Committee's SWOT analysis.

# SWOT ANALYSIS

STRENGTHS	WEAKNESSES
<ul style="list-style-type: none"> <li>- Continual business development and bringing new people into the city (residential and commercial growth)</li> <li>- Convenient location perfectly placed within the county</li> <li>- Public safety presence is strong and well known</li> <li>- Close proximity to Savannah and tourism (both people and dollars brought into the community)</li> <li>- Diversity of businesses. There is a combination of small and large businesses throughout the city</li> <li>- Large amount of well-maintained recreational opportunities, parks, etc., throughout the city</li> <li>- Very low property tax rate</li> <li>- Process of permitting and development is streamlined. Pooler is good at attracting and working with commercial and retail businesses</li> <li>- Available land for development (This can also be both strength and a threat due to the possibility of land being bought and developed quickly)</li> <li>- Family-friendly, although there is a lack of available schools</li> </ul>	<ul style="list-style-type: none"> <li>- Need more people to both work here and live here</li> <li>- Schools: lack of public and private schools</li> <li>- There is also a lack of neutral ground for schools to be built on</li> <li>- Lack of dedicated housing areas or communities for seniors</li> <li>- Age in place housing is needed</li> <li>- Traffic and congestion</li> <li>- Lack of connectivity with regards to sidewalk and trail networks so residents can ride/walk to various areas without having to get in a car</li> <li>- Look at adding bike lanes to existing and proposed road systems</li> <li>- Public transit needs to be instituted to employment nodes such as Tanger Outlets, Publix and near City Hall</li> <li>- Affordable, first-time home buyer housing, single family and senior housing should be the city's top priority over the next 20 years</li> <li>- Lack of community centers, including communal garden</li> </ul>
OPPORTUNITIES	THREATS
<ul style="list-style-type: none"> <li>- Broaden housing options for residents both new and existing</li> <li>- Define areas and uses in the Zoning Code to allow film studios to locate in Pooler</li> <li>- Complete a recreation evaluation and Master Plan</li> <li>- Work to expand recreation program to bring in sports tournaments to utilize existing recreation space</li> <li>- Research expanding the number of multi-purpose recreation fields for soccer, etc.</li> <li>- Leverage the growth of the nearby international airport</li> <li>- Create convention center and amphitheater</li> <li>- Code Updates</li> <li>- Create incentives for desired types of development</li> </ul>	<ul style="list-style-type: none"> <li>- Pressure to rezone R-A to industrial/port related uses</li> <li>- Tax abatement activity through Savannah Economic Development Authority (SEDA)</li> <li>- Possible economic downturn: Pooler needs diverse businesses outside of retail and businesses that are sustainable during an economic downturn</li> <li>- Lack of diversity in housing, especially in regard to senior housing</li> <li>- Flooding and traffic due to increased growth in areas directly in and around Pooler</li> <li>- No tax benefit for places with more warehouses, like Pooler, Port Wentworth, and Garden City (Benefits go to Savannah and Chatham County)</li> <li>- Increased price for raw land</li> </ul>

# WEB PAGE

## Web Page Overview

To engage the community further, Pooler 2040 team designed and maintained a web page to be a dedicated platform for all planning, public outreach and social media information.

The web page was set up and designed to be user friendly, easily read, and interactive for all users. The page included a diverse mix of information including a project summary, history, a virtual meeting library, comment mapper, draft elements, and a bulletin board of upcoming events.

# SOCIAL MEDIA

## Social Media Overview

While the web page served as a platform for all of the planning documents, the social media page served as an advertising platform to engage the public on upcoming events, meetings, pop-up events, and announcements. The social media platforms used to advertise Pooler 2040 included Instagram, Facebook, and Twitter.

# COMMENT MAP

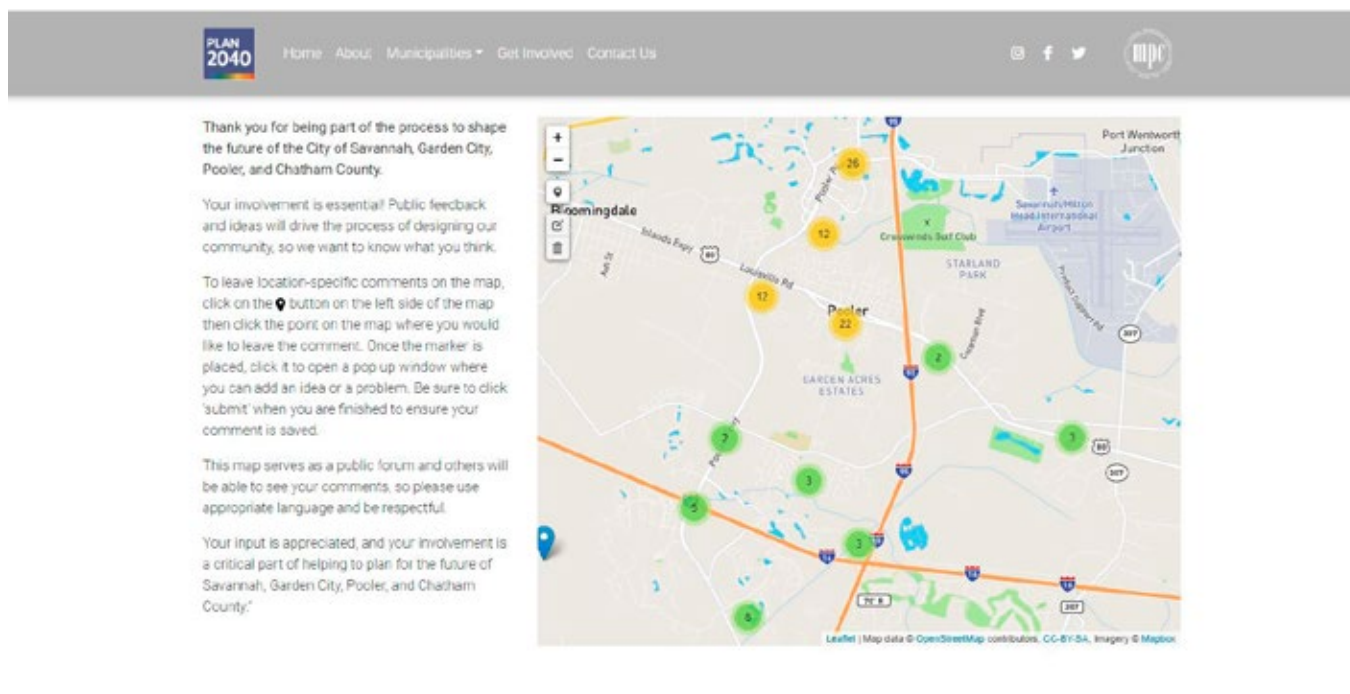

## Comment Map Overview

To ensure that the Pooler 2040 public outreach methods were widespread and equitable, the Pooler 2040 team created a comment mapping tool to collect additional feedback. This technique was a new tool that allowed the community members to anonymously geolocate "Ideas" and "Problems" in their community.

The collection process revealed opportunities in the community and provided insights into where future neighborhood plans and corridor studies might be needed. It also served as a starting point for future public outreach.

The major "Ideas" and "Problems" that were uncovered with the comment mapper revealed that food insecurity, neighborhood trash/maintenance, and walkability are hindering the quality of life of the citizens of Pooler.

The data represented to the right is from October 23, 2020 to June 10, 2021. This resource will remain active and will be used as an additional method of public comment for future Pooler 2040 engagement opportunities.

# COMMUNITY OUTREACH

## Community Outreach Overview

The Pooler 2040 team conducted a series of four community pop-up events throughout Chatham County. The pop-up events were held at various times to reach as many residents as possible across the county.

Following CDC recommended COVID-19 safety measures, the Pooler 2040 team also offered virtual meetings to supplement the community outreach effort.

There were six rounds of virtual meetings that included an overview of Pooler 2040, polls, and opportunities for community feedback on progress.

These events were advertised and offered to community or faith-based organization responding to email blasts and other communications.

- Chatham Recycles—"Haunted Recycling" (October 24, 2020)
