PAGE 2: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Victory Drive Sections

Q1: What street layout option do you like the best?

Option 4: Restoration of Existing Conditions,

Why do you like that one?

It may be feasible to have two lanes. However, from experience with bikers, most of them are bad at adhering to guidelines. Also, parking on the street would produce more likely-hood of those getting out of vehicles getting hit on that thoroughfare. So to me, the best bet is to improve existing conditions with a slower traffic enforcement. And please do something about the intersection of Victory and Ogeechee. A circle there would be good.

Q2: Do you have additional comments about any of the four options shown above?

PAGE 3: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Pedestrian Safety

Q3: Which type of street crossing at Victory Drive would you prefer?

1: Rapid Flashing Beacon,

Comments

No. 2 would be prettier, but people need something that grabs their attention.

Q4: Which intersections need the most improvement for pedestrian safety?

B: Hopkins @ Victory,

Comments

All, but B needs it the most. Especially being a primary school zone.

PAGE 4: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Neighborhood Parks

Q5: What improvements would you like to see at Myers Park and Cann Park?

Benches for Seating	Cann Park
Walking Paths	Cann Park
More Lighting	Cann Park
Other ideas?	Cann Park is very historic. Would like to see the improvements checked above and more, like the fitness equipment, etc. But the young people who congregate there mostly would destroy moveable improvements. So limited seating, but definitely walking paths and more lighting. More police surveillance. In the old days, they used to have a park leader come in the afternoons to supervise. We also had a sprinkler area for the kids to play in during the summer. Would like to see that again.

PAGE 5: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Gateway Options

Q6: Which gateway option do you prefer?	Option 3: Roundabout,
	Why do you prefer the option you selected? That intersection needs a better flow.

PAGE 6: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Stormwater Management

Q7: Do you support "green street" strategies along this section of Victory Drive?	Yes,
	Why or why not? Good idea, but storm drain upgrade is needed more.

PAGE 7: Phase II - Ogeechee Road to Martin Luther King Jr. Blvd. - Additional Comments

Q8: What are your top three (3) issues or concerns related to Victory Drive between Ogeechee Road and MLK Jr. Blvd?

- | | |
|----|--|
| 1. | The big concern was that no one's property would be at jeopardy. |
| 2. | Needs to be better cross-over turn breaks along the corridor. |

Q9: What are your top three (3) solutions or improvements that can be made to Victory Drive between Ogeechee Road and MLK Jr. Blvd?

- | | |
|----|--|
| 1. | Esthetics. Slower traffic regulations. |
|----|--|
