Subject: Height Variance request #3 Modena Island Drive

To: deirdre robertson <deerobertson13@gmail.com>

To MPC Staff:

We are Karen and Adrian Blocker and we live at #39 Modena Island Drive.

We are writing in support of the height variance requested by Dee and Bud Robertson for the home they are building at #3 Modena Island Drive.

We have reviewed the renderings for this home and believe it will be a beautiful addition to our neighborhood and believe it will not impede the view of other neighbors.

Karen and Adrian Blocker
