

Historic Preservation Commission

May 28, 2025 HISTORIC Preservation Commission Meeting

Title

Petition of City of Savannah Code Compliance, Scott Robinson | 25-002376-COA | 604 West 39th Street | Contributing Demolition

Description

The applicant is requesting approval for the demolition of the building located at 604 West 39th Street.

Recommendation

Approve the request for the demolition of the contributing building located at 604 West 39th Street with the following conditions because the criteria are met.

1. Rather than traditional demolition of 604 West 39th Street, the building should be deconstructed, and the materials salvaged for reuse, with the understanding that the fire damage and related safety concerns may severely limit this.
2. Comply with the policy for documenting buildings over 40 years old for 604 West 39th Street.
