

2309 Whitaker St

Scope of work:

Fence Installation

Set NEW Pressure Treated Posts in concrete.

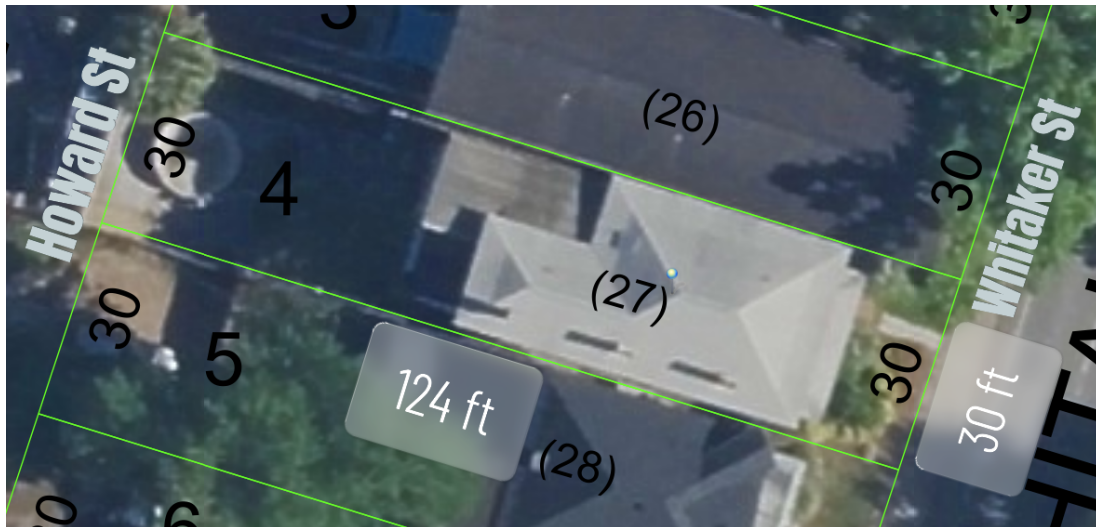

Install the NEW 3.5'x 8' Pressure Treated Pine Spaced French Gothic Fence Panels to the wood posts (cut down to the required 3' in height).

Construct a Double Gate across the 6' wide walkway. We will be using the same panels for the gate.

Cut an arch into the top of the gate panels.

Install the NEW Black Self-Closing Gate Kit and Hinges.

Lot Dimensions, Property Lines, Location of Building(s)
