

Written Description

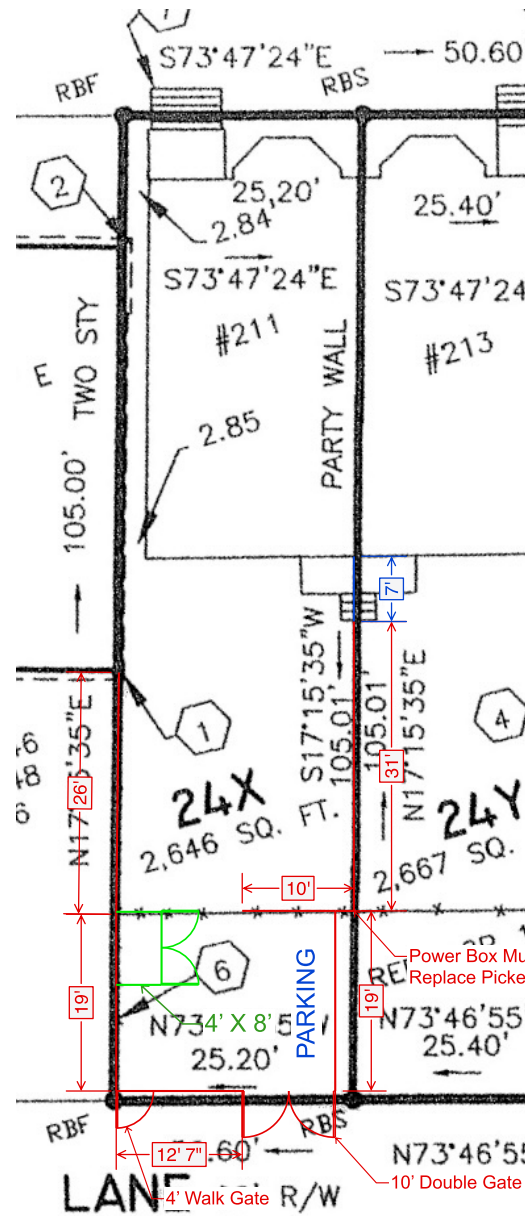

Property: 211 E Duffy Street

Veterans Fence & Supply will remove approximately **106 feet of existing fencing** on the property. After removal, we will install a **6'11" tall wood Board-on-Board fence** with **cap and trim** detail. This design will include **exposed post boxes with caps** for a finished appearance.

In addition:

- **20 feet of 6' wood Board-on-Board** fencing will be installed by the **rear stair area**.
- **30 feet of 5' wood Board-on-Board** fencing will also be installed on the property.

All fencing will be supported by **2 ½" galvanized steel posts** driven **4 feet into the ground**, with panels constructed around the posts for structural stability and durability.
