To Whom It May Concern,

We request a Certificate of Appropriateness to replace siding at 107 E. Park Ave. We propose removing rotten and damaged siding and replacing it in like-kind with 6" #119 clear Southern yellow pine siding which has a 5" exposure. After replacing the damaged siding and any necessary trim, we will repaint the home in its existing colors: SW 6177 Softened Green for the siding, SW 0050 Classic Light Buff for the trim, and SW 2847 Roycroft Bottle Green for the windows, handrail, and decking.

Please let us know if you need anything else from us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rachel Clements'.
