Re: Neighbors' letter of support for  
Petition of Harley Krinsky  
22-005388-COA  
301 Alice Street  
Change status of building from contributing to non-contributing

Dear Board Members,

The undersigned neighbors near 301 Alice Street wish to express their support for grant of Mr. Krinsky's Petition. Grant of the Petition would be consistent with our neighborhood's mixed residential and institutional properties, as well as the mixed ages of the properties. Therefore, the undersigned urge that the Board grant the Petition.

One of the undersigned neighbors occupies a designated historic building, 217 Alice (built 1846/1853). She wishes to express her personal view that a grant of the Petition does not raise a concern as to her historic property.

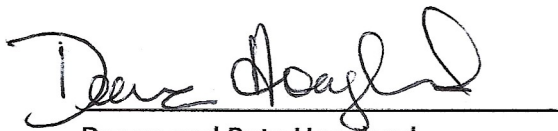

Respectfully,

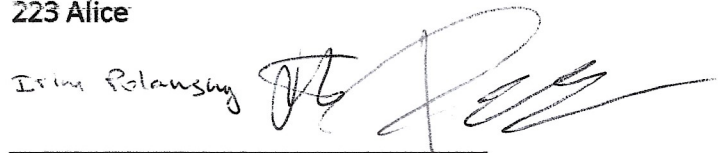

Anne and Dan Osimani
