

Project: Lavender Rooftop

Contractor: Whitfield Signs, LLC

Client: North Point Hospitality DBA Lavender Rooftop

Project Description: Manufacture and install one (1) double-face illuminated blade sign, 10.5 square feet. Sign to feature aluminum construction with 9" deep returns and 1/2" thick push-thru acrylic letters and logo with digitally printed vinyl overlay. Internal illumination provided by white LEDs with self-contained power supplies. The primary business possesses 215 feet of linear street frontage. Mount at such height to allow no less than 8 feet of clearance from bottom of sign to sidewalk grade.
