III. Rezoning Review Criteria

Office - Transition

Describe the purpose of the requested rezoning. Please refer to Sec. 3.5.8 for the review criteria that will be used when considering your petition. Clearwater Pools & Patios (currently operating at 1225 East Montgomery Crossroad), is looking to eliminate the retail portion of the business. The new location will be a small showroom for customers to select interior and border pool tiles, and travertine deck colors. The physical samples in the office/showroom will be minimal. The only supplies for the business kept at the location will be stored in an outdoor shed which is fully enclosed. The office will essentially be a location for Clearwater to handle accounting, receive mail/phone calls, keep company records, and serve as a customer consultation location. The use will not negatively impact the surrounding area, and is in line with current zoning. All parcels along Montgomery Crossroad in close proximity are zoned for non-residential uses. There are adequate public services available to the location.

Is the subject parcel located within 3,000 feet of a military base, installation or airport, or within the 3,000 foot Clear Zone and Accident Prevention Zones Numbers I and II as prescribed in the definition of an Air Installation Compatible Use Zone that is affiliated with such base, installation or airport? ☐ Yes ☒ No
