METROPOLITAN PLANNING COMMISSION

ATTN Sally Helm and the MPC

RE: 1028 Bonaventure conversion of decommissioned gas station into a single family residence to be considered by the Metropolitan Planning Commission March 31, 2026.

The purpose for this letter is to ask the opinion about whether you think that the decommissioned gas station should be converted to a single family residence.

Please check one of the following:

☒ I think that the building should be converted to a single family residence.

☐ I do not think that the gas station should be converted to a single family residence.

Please add any additional information that you consider relevant.
