Good Afternoon Neighborhood Leaders -

I hope this message finds you well. I'm reaching out to invite you to an introductory meeting regarding the property at 1040 East 55th Street, formally known as the Oasis of Hope Church. We wanted the opportunity to meet with neighborhood leadership as a first step in our community engagement efforts. After we have the opportunity to hear from you, we will host an open neighborhood meeting for all to attend.

The purpose of this meeting is simple: to listen. We know that new projects naturally raise questions and concerns about everything from traffic and litter to overall neighborhood impact. These issues matter, and this meeting is intended to be an open, constructive dialogue where your feedback can help inform the direction of the project as it develops.

The proposed Zoom meeting will be hosted by me and the architect for the project, Jerome Elder, who can walk through early concepts and answer questions from a design and planning standpoint. Our goal is to be transparent, accessible, and responsive, and to establish a productive working relationship with the neighborhoods from the very beginning. No final plans will be presented at this meeting.

We are proposing to meet via Zoom on:
Date: Thursday, February 19
Time: 6PM

Please reply to me as soon as possible to let me know if this date/time work for you. A Zoom link will be forthcoming. Thank you for your time and for your willingness to engage. I look forward to meeting you and beginning this conversation together.

Very Best –
Susan W. Broker
