Dear Sir/Madam,

We, Will and Heidi Luce, residents of 108 Cockle Shell Rd, Savannah, GA 31419, are writing to express our support for the fence constructed by our neighbors at 107 Cockle Shell Rd, Savannah, GA 31419.

We are aware that the City has informed our neighbors that their fence is against code and needs to be moved. However, as their neighbors living directly across the street, we would like to state that we have no concerns about the current location of the fence. We do not oppose its construction in any way and believe that it does not cause any issues or disruptions to us or the neighborhood.

We hope that our perspective as their immediate neighbors will be taken into consideration when evaluating this situation.

Thank you for your attention to this matter.

Sincerely,

Will and Heidi Luce  
108 Cockle Shell Rd  
Savannah, GA 31419
