Subject: 619 Maupas Avenue

Dear MPC,

My name is Dr. Jeff Jones, and I own 615 Maupas Ave, Savannah, GA 31401. I am the neighbor to 619 Maupas Avenue. My neighbors Elizabeth DuBose and Mark Frissell own 619 and have requested that the two parcels making up 619 (20075 17011 and 20075 17012) be re-joined into a single non-conforming parcel. I received today in the mail a notice about this and Mark also has reached out to me.

I am writing to support the re-establishment of joining these two parcels and the nonconforming ADU.

Thank you,
Jeff Jones
