Petition #26-002507-ZBA
2254 Vicksburg Drive, Savannah, GA 31404

As a lifelong resident of Vicksburg Drive and having spoken with other property owners. None of the neighbors have not been contacted by the Petitioners before or since the meeting on April 21st. We still would like it to be known; we DO NOT want the variances for 2254 Vicksburg Drive to be approved!

The concern is with past infrastructure changes and updates widened Vicksburg Drive there by reducing property lines already in existence. If that were to happen again, these proposed changes would make the 2254 property even smaller.

The other concern is flooding on the East end of Vicksburg Drive in storms. Houses have already been removed and replaced with a retention pond on the South side, towards LaRoche Avenue between Derenne Ave and Vicksburg Drive.

We will not be able to attend the meeting at 10 am June 25, 2026.

Thank you very much for your consideration
